ADVENTURE BY WATER

The Pacific coast of northern Costa Rica (Guanacaste) is renowned for its biodiversity, especially the diversity in its local waters. These parts of the Pacific are ranked as some of the best places to fish in Costa Rica. Papagayo Gulf is a luxury destination which is blessed with a diversity of marine life and the most beautiful beaches.

SPORT FISHING

Fishing in the gulf is for all experience levels. The most sought-after fish are the mahi-mahi and rooster fish; However, the offshore waters of Guanacaste are home to the Thermal Convection Dome, an incredibly rich concentration of phytoplankton that attracts many different types of fish and other marine creatures.
