### **Victoria Falls |**

Victoria Falls constitutes one of the most spectacular natural wonders of the world. The Local people call it "Mosi-oa-Tunya" -- the smoke that thunders and the Falls are remarkable. There is a magic about them manifested in the towering column of spray when the river is high, the thunder of the falling water, the terrifying abyss and tranquil lagoons upstream in which hippo and deadly crocodiles lurk. Victoria Falls is 1708 meters wide, making it the largest curtain of water in the world. It drops between 90m and 107m into the Zambezi Gorge and an average of 550,000 cubic metres of water plummet over the edge every minute. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860s. The falls and the surrounding area have been declared National Parks and a World Heritage Site, thus preserving the area from excessive commercialization.

Check in and proceed to allocated rooms.

### **The Victoria Falls Safari Lodge |**

Situated on a plateau just 4km from the majestic Victoria Falls in Zimbabwe, Africa, Albida Tourism's flagship property Victoria Falls Safari Lodge, the premium Victoria Falls Safari Club and the spacious Victoria Falls Safari Suites all offer an unforgettable African experience. The sunset-facing 72-room Victoria Falls Safari Lodge, which boasts endless views of pristine wilderness stretching to the horizon, including a waterhole frequented by elephant, buffalo, kudu, and more, has been voted the Best Safari Lodge/Resort Hotel in Zimbabwe for 23 consecutive years by the Association of Zimbabwe Travel Agents.

**15h45:** Pick up from the hotel for the sundowner cruise on the Zambezi River | 2 Boats by Wild Horizons

### **Zambezi River Cruise |**

The Wild Horizons Zimbabwean Cruise Boat is offering cruises for visitors to Victoria Falls. The boat is now cruising the waters of the placid Upper Zambezi. The Zambezi River cruise is a superb way to relax and enjoy the beauty of the River. Guests may have the opportunity to see a variety of game; including hippo, crocodile, elephant, and sometimes even rhino in their home environment, as well as to enjoy the many different bird species. The cruise includes finger snacks, beer, wine, champagne, and soft drinks. There are great photo opportunities against often-spectacular African sunsets.

## Day 10 – Thursday 22 August 2024 | Cape Town

**PLEASE NOTE THAT THE EXACT DEPARTURE TIMES FOR TODAY WILL BE GIVEN THE NIGHT BEFORE**

**05h15:** Meet your tour guides at the hotel reception for an early start of the day.

**05h30 – 05h50:** All buses to depart from the hotel to Gansbaai for your adventure on sea.

**08h00:** Arrival at the Dive lodge in Kleinbaai. Here, you'll enjoy a continental breakfast, complete all necessary formalities, and receive your safety briefing on current sightings, indemnities, wet suits, and equipment.

### **09h00: Shark Cage Diving boat launch – 4 boats exclusive use | *Weather permitting***

Our crew will then welcome you onboard our custom-built 36ft, 4 tonne catamaran, "Shark Team." Each boat will be accompanied by our intrepid skippers, a Dive Master, and support crew. Once we have reached our diving location and dropped anchor, our crew will create a scent trail, while you patiently await your electrifying first glimpse of the iconic fin breaking the water's surface. No dive is ever the same, so we can never predict what will happen once we are on site nor how many sharks we will see. Great Whites are incredibly nomadic and if you consider that there are less than 5000 of them left on our planet, even if you only see 1 shark on your dive, you can count yourself very fortunate. Back on deck, you will be able to observe shark activity, which occurs close to the water surface. Lunch boxes containing a variety of snacks will be on hand for you to enjoy at your leisure, with soft drinks and juices offering added refreshment while you bask under South Africa's legendary sunny skies.

After about 3 hours out at sea, you'll be ready to return to shore where comforting soup awaits you, giving you a chance to regroup and share the day's experiences before leaving.
